

**PRODUCT MIGRATION**  
**Next Gen**  
**RZ7-FS and RZ7-FE**  
**Timing Relays**

RZ7-FS

RZ7-FE

Obsolete

RZ7-FS

Next Gen

RZ7-FE

### Why Migrate

Sprecher+Schuh is launching a new line of DIN rail mount timing relays. These Next Gen products will replace existing RZ7-FS and RZ7-FE catalog numbers that will be discontinued in March 2022 (Haz Loc versions will be discontinued in the Next Gen Relays). Migrate now to the Next Gen RZ7-FS and RZ7-FE timing relays as the legacy product will only be available until stock is depleted.

### New Product Benefits

- Ease of selection
- Reduced inventory
- New functions

### Mitigate and Eliminate the Risks of Automation Obsolescence

Sprecher+Schuh understands that your control panels are a critical asset in your automation system, and we support that by providing you with the latest technology to maximize your investment. New technologies can improve and extend the operation of existing equipment and provide an immediate boost to productivity. By migrating from your legacy RZ7-FS and RZ7-FE timing relay products, you can help to decrease downtime and optimize operations well into the future. We will help you to meet this demand to innovate by proactively planning and managing your transition every step of the way to help you get the highest possible return on your automation investment.

**For this component migration reference, the definitions below apply**

**Functional Replacement** : a product that can be used in place of an earlier product with consideration of the listed footnotes.

**No Planned Replacement** : No functional replacement is available for this timer

\* Discontinued date may be subject to change.

- ❶ Timer has multiple time ranges. Time range dial must be set to your timing range preference.
- ❷ Timer has multiple functions. Function dial must be set to your desired function code.
- ❸ Timer RZ7-FE dimensions are considerably smaller than the RZ7-FS style timer.
- ❹ Timer Voltage range is 12-240V AC or DC.
- ❺ Timer is two-pole (2 C/O) rather than one-pole (1 C/O).

## RZ7-FS and RZ7-FE Timing Relays *Migration*

PUB ID: MIGRATION-RZ7 r3 09/2022

Sprecher + Schuh has provided reliable control and protection solutions for its customers since 1903.

Today, Sprecher + Schuh offers a wide range of low-voltage industrial control products, including contactors, a variety of relays, starters, push buttons, switches, terminals and controllers, to name a few. All of our products are crafted with precision and tested rigorously for performance — far exceeding industry standards. Moving forward, we continue along the path of constantly seeking innovative ways to provide solutions for our customers. It is by this philosophy that Sprecher + Schuh has come to be the industrial control manufacturer of choice for many customers around the globe seeking quality, reliability, and a name they can trust.
